

NAVAHCS

Northern Arizona VA Health Care System

What's New or Improved

- ▶ CLC – has new admission team that collaborates with the local community hospitals to ensure that NAVAHCS is the first consideration for on going Veteran care. (rehab., skilled nursing, respite, hospice etc.) *
- ▶ GEC – “Lets get Moving” Restorative care team promoting and facilitating socialization, physical exercise and wellbeing (moving toward earlier discharges)

New or Improved Cont.

- ▶ **New Residency Program:** very successful * (training next level of providers)
- ▶ **Community and Managed Care** – (Choice, Choice Integrated The Community, TriWest) #
- ▶ **Mental Health and Behavioral Science SL** – working with Western Telemental Health Network (WTN) for therapy referrals +

SUCCESSSES and looking forward
