VA

• Phoenix • Tucson • Prescott
• Phoenix Regional Office

2022 STATEWIDE SYMPOSIUM IN SUPPORT OF SERVICE MEMBERS, VETERANS & THEIR FAMILIES

VIRTUAL EVENT FEATURES:

- 4 general sessions featuring Arizona leadership and key statewide initiatives.
- 2 half-days of virtual programming focused on increasing knowledge, skills & abilities for serving the military, veteran and family population.
- 24 different breakout session topics across 6 tracks, with an emphasis on participant interaction and Q & A for every breakout.
- Network with representatives from the military, government & community in an online lounge area (day one).
- Career Seekers will be able to network with the ACMF Career Navigation Team in an online lounge (day two).
- New this year! Participate in facilitated Solution Sessions on key topics.

SYMPOSIUM LEARNING OBJECTIVES:

- Strengthen Arizona's capacity to care for and support the military, veteran & family population by engaging individuals and organizations from the military, government and community.
- Provide training to increase the knowledge, skills & abilities of partners, providers and community members to provide effective care and support to service members, veterans and their families.
- Promote the provision of integrated care and support through an interdisciplinary emphasis.
- Create a forum to network and connect on a cross-sector basis and to learn about available resources for service members, veterans & their families in the public and private sector.

TRACKS: The 24 breakout sessions fall in 4 core topics: Housing, Employment, Violence and Transportation and 8 key community topics. Each core topic has a Solution session after the breakout session.

Focus on specific segments of service members, veterans & family members	Information, resources and support for when you are in the helping role	Ways for public and private sector organizations to engage with Be Connected	An exploration of topic areas that affect the military and veteran community	Solution Sessions to follow each core topic presented at the symposium
